

Welcome

I Dream of Delhi Free Clinic

Athletics Tasmania and Tasmanian Little Athletics are holding a free coaching clinic at the Domain Athletics Centre on Wednesday 15 September from 10am. Registration forms are available at www.tasathletics.org.au . All athletes welcome.

Committee Vacancy

Clarence Little Athletics Centre need a parent to join the Committee and take on the role of Records & Ranking Officer. Without this role being filled, athletes will not receive tickets, badges or have the opportunity to enter State Individual Championships, so it is absolutely crucial! Please contact a committee member if you can help!

Season Opening Dates 2010

Season 2010/11 kicks off as usual with an orientation, information & registration day at the sheds at Kangaroo Bay sports field between 10 am and 12 noon on Sunday 26 September. First competition day is at the same venue at 8.30 am sharp on Saturday 2 October. Registrations can be taken each competition day. All returning and new athletes are welcome! Any child aged between 5 & 14 on the 30th of September 2010 can compete at Little Athletics, and accompanying family members aged between 3 & 5 are able to participate in our Tiny Tots program.

New Events & Changes for the 2010/11 Season

There are 2 new events in 2010/11 season and a change to State Championship qualifying standards for U14 & U15 athletes for the coming season!

-

Under 14s & 15s will no longer require qualifiers to enter State Individual Championships.

-

Under 13 - 15 athletes will add the 200m hurdles to their program. At this stage, we expect the event to be added to Program 2. There are only 5 flights of hurdles in the event.

-
Under 9 athletes have had the 800m added to their program. It will be run on Program 1.

- New High Jump bags have arrived for the start of the season.

- Timing Gates have been ordered and will be operational in 2011.

Committee 2010/11

Our new Committee was elected on Monday 10 May. Shane McCarthy has taken on the role of President for the new season. We welcome Sarnia Symons as our new Treasurer, and we need someone to take on the role as Records & Ranking officer. Amanda Robertson joins us as general committee. Chris Brown steps up to Registrar, Allan Faint moves to Coaching & Education, Heather Bessell returns to the Secretary position, and Roger Hosie will become Arena Manager. We have 5 General Committee positions vacant, and just 1 executive role to fill.

2009/10 State Individual Championships

Clarence athletes have finished the Championships with a swag of medals. See below for medalists & the Results tab for all results. 13 Outside records were also set or equalled - see the Records tab for the updated list. A VERY special thank you to all the parents who were rostered onto duties over the weekend. Not once did the announcer have to ask a second time for our helpers or officials. Fantastic help & co-operation everyone!
